

BD Safety and Shielding Systems

Customizable Demonstration Kits

Helping all people
live healthy lives

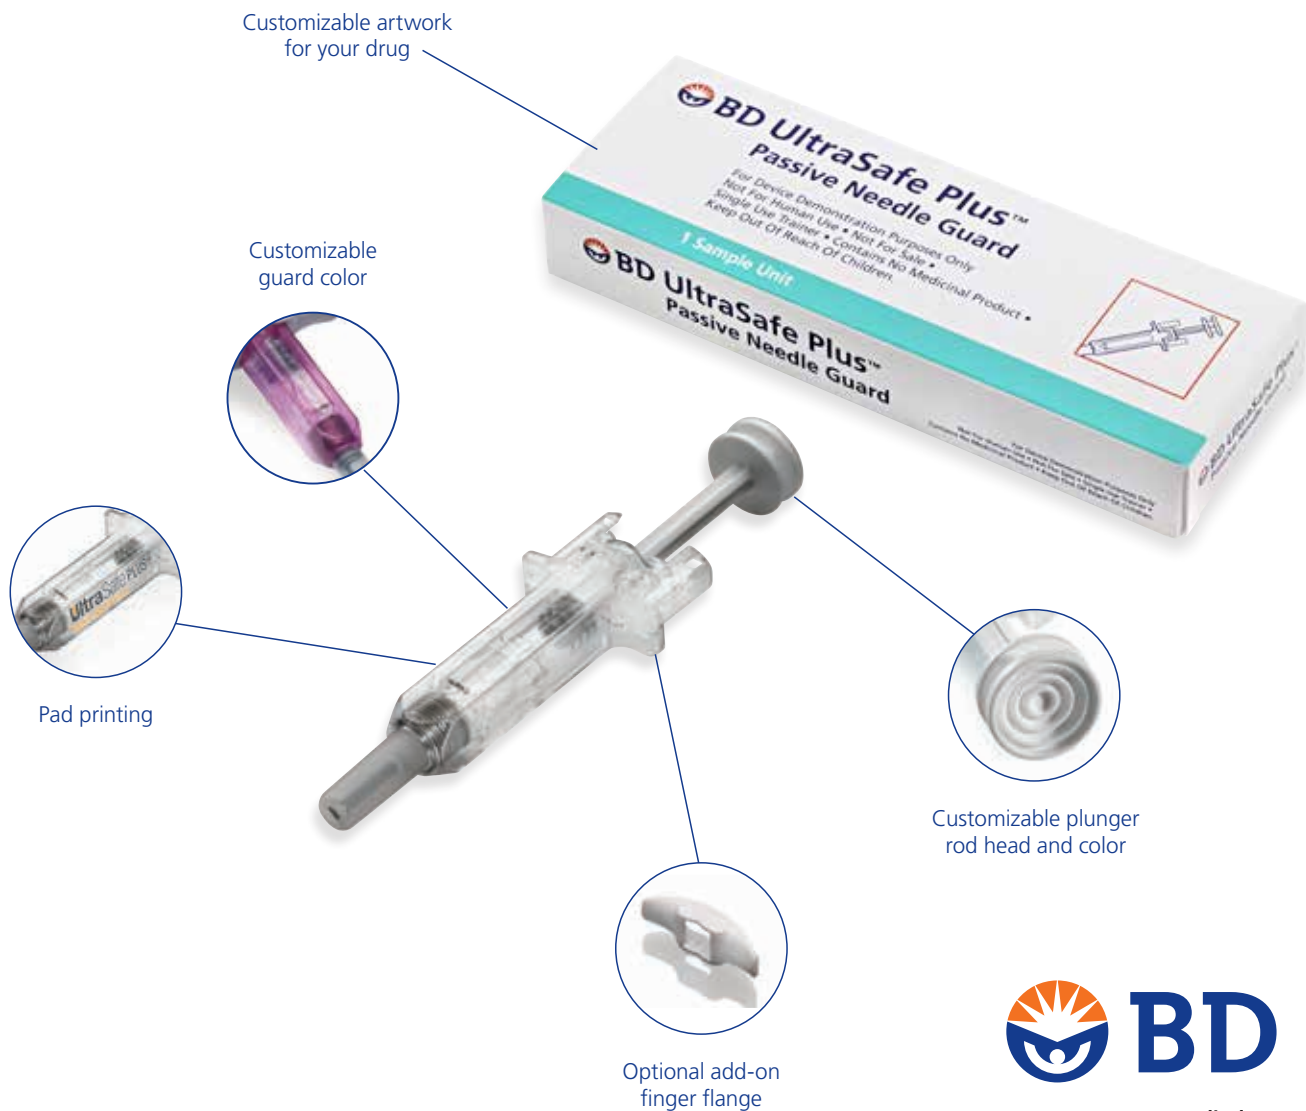

BD is committed to advancing needlestick prevention. Customized demonstration kits are designed to enhance the interaction between healthcare workers and patients through visual and emotional engagement.

BD's Customizable Demonstration Kits are for demonstrations and are not intended for human use.

BD Safety and Shielding Systems

Customizable Demonstration Kits

BD's customizable kits offer an effective way for healthcare workers to demonstrate your product to end users. This helps support your product launch and enhance commercialization. Ask your account manager to learn more about the available options.

BD's Customizable Demonstration Kits are for demonstrations and are not intended for human use.
